Ali Anjun, Born: 02.01.1987 Was Employed as a Team manager for Webhelp Nordic Durring the period of 19/09/2018- 31.12.2019

Ali worked initially as a quality coach – supporting our Turkish site due to his experience and strength in role. When he returned I promoted him to team manager. He was responsible for the welfare, and management, of between 15-22 staff. Ali performed exceptionally, with a clear approach to his workday that was both structured and supportive. He was a pleasure to manage and I have enjoyed watching him grow as a manager in his time with me. He was a fantastic character, who drove strong results – he will be missed by all here.

Ali has left of his own volition as he has decided, after many years here, to pursue studies. We are unable to accommodate his request to keep his role part time and, as a result, he has chosen to move on to pastures new. He goes with my best wishes. Should you wish to contact me I am available on Benjamin.mirac@webhelp.com or +47 406 49 241

.

Med vennlig hilsen Webhelp Nordic
